

SARA URAS

Junior Web developer

PROFILE

I am a driven individual who's very passionate about UI web development. I have spent the last 2 years studying coding and I am still actively studying to improve my existing skills. Moreover, I have experience as a Freelance developer in which I built various commercial websites. I have excellent interpersonal, written, and oral communication skills and strong attention to detail gained through study and employment to date, which has developed along with a proven ability to work both in a team and individually.
